CROSSED THE RIVER

We learn this morning that J. W. Tompkins, ex-justice of the peace of the Fort McCoy district, died Thursday. He was only sick four days. He was taken with a severe pain in the head last Sunday, which later developed into paralysis, from which he died Thursday. His neighbors re sponded nobly to his infirmities and Dr. Parramore, of Eureka, did all that medical skill could do to restore him to health, but without avail.

Deceased was a consistent member of the Baptist church, of which he was a life long member and a deacon.

He was held in high esteem by all who knew his generous and noble character. He came some twenty-five years ago from Island Grove and settled in the Fort McCoy neighborhood, where he ever since resided.

His remains were taken to Island Grove for interment, the home of several of his brothers.

Mrs. Charles Thomas, of Pine, was a sister of deceased.

Mr. . Tompkins was a Confederate veteran in the late war and served faithfully and bravely. He leaves a wife to mourn his demise and many friends. He was about seventy years of age.

The Star hears with sincere regret of Mr. Tompkins' death, as he was deemed a personal friend.

COLORED MASONS

The colored Masons were in force in Ocala yesterday and every part of the state was represented. The only thing to mar the pleasant features of the day, the memorial services, was the inclement weather of the afternoon; so that the outdoor program could not be carried out and the exercises took

place at Mitchell's hall. Rev. J. H. Dickerson, grand master of the order, officiated as master of ceremonies, and all that was intended was expressed in the dedication of the monuments erected by the order to the memory of Rev. W. H. Coleman and Rev. John Brown. The former past grand master of the order and a presiding elder in the A. M. E. church of considerable note.

The crowd was large, well dressed and an orderly one and deported themselves in such a manner as to win the good opinion or all. We trust all of them had a good time and will come and see us again.

LIGHTNING KILLS A HORSE

Dr. Johnson and Companion Narrowly Escape Death From Same Bolt

News reached this city yesterday to the effect that Dr. W. C. Johnson, of Micanopy, and his companion, Sidney Owens, of Tampa, were driving near Rochelle Tuesday, when a thunder and

rainstorm overtook them. They were driving a double team, and stopped under a spreading oak to await the abatement of the shower. While in this position lightning struck the tree, knocking both horses

down and killing one of the animals instantly. The same bolt threw both gentlemen from the buggy and rendered them for a time unconscious. The animal killed was a very valuable one.-Gainesville Sun.

Catarrh of the abdominal organs is Price 50c. and \$1. Every bottle guaranteed.

Do you have a feeling of undue fullness in the stomach, belchings, or sour or bitter risings? These are but a few of the symptoms of the diseased stomach.

The worst thing which can be done gives temporary relief from discomfort. The best thing to do is to begin the cure of the disease by beginning the use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It makes the "weak" stomach strong, and puts the body in a condition of

vigorous health. "I was troubled a long time with dyspepsia, torpid liver, and constipation," writes Mrs. Julia E. Deal, of Ostwalt, Iredell Co., N. C. "Could scarcely eat anything at all; would have attacks of pain something like colic, and sometimes it seemed as though I could not live. I wrote to Dr. R. V. Pierce, stating my condition, and in a few days received a kind letter of advice, telling me to use Dr. Pierce's Golden Medical Discovery. I took four bottles, and one vial of Dr. Pierce's Pellets, and now I can eat anything I Pierce's Pellets, and now I can eat anything I want and it don't hurt me. I have not been in bed a day si e I took your 'Golden Medical Discovery,' and I have not since felt any symptoms of disease. I have not taken any medicine in twelve months."
